

Dear Bridge Player,

No News is Good News

Still it seems about time for another Newsletter, so here we go.....

Bridge is fun....

This cartoon makes me think of our supervised players who make up half of the club. It's lovely to see you all progressing and enjoying the game so much. A reminder to our Tuesday players that the Wednesday afternoon supervised session is only £5 if you play both days.

Monday Night BOGOF

We don't know why but our Monday night duplicate is struggling to keep afloat. We know it's not much fun with only a few tables so from November when you play you will receive a **FREE GAME VOUCHER** for your next Monday night visit. We are open every Monday starting at 7.45pm and look forward to seeing you here soon.

Children in Need is approaching again. As usual we will be raising money for this good cause. We will be collecting all week from Monday 13th November and will be holding a Simultaneous Pairs for duplicate players on Monday 13th at 7.45pm. No additional table money for non-members that night. We thank you in advance for your generosity and are delighted to announce that we have raised over £12,000 in total over the years.

Golf Club Rules

I'm pleased to say our relationship with the golf club is a good one but there are a few rules we have to go by;

Car parking for bridge club users in the daytime is on the two lower areas nearest to the A41 and the area opposite them on the right if coming in from the main road. The other areas are for golf members and are clearly marked. Under no circumstances at **ANY TIME** can we park in the six spaces reserved for golf officials.

The toilet facilities available to us are the two directly off the Molloy Suite next to the entrance door so please do not use the others further in the building.

Food... We are fortunate that the golf club have agreed that we can bring our own food to the club, but it is on the understanding that it is consumed **ONLY** in the playing room (or out in the back garden in summer).

Mobile phones are not allowed in the bar areas, so if yours rings please take it outside.

98% of you don't need to be told any of this but the golf club has been very good to us and we like to keep their goodwill by respecting the few rules it imposes on us.

Free Membership...

My Dad turned 90 this year and I think anyone reaching this age deserves free membership, and Neil agrees! So if you qualify please let Neil, George or myself know so that your membership details can be updated.

It won't be long until

The club will be closed on Monday 25th & Tuesday 26th December.

On Monday 1st January there will be a daytime duplicate starting at **1.30pm** where there will be the usual choice between the normal or gentle game. The club will be closed that evening.

Stratford-upon-Avon

Our next weekend away is 13th – 15th April 2018 when we will be going to the 4* Stratford Hotel in the centre of town. Early booking discount for deposits received by 24th December. Our last few weekends have sold out with over 100 guests well before the cut-off date so don't leave it too late. Full details are on our website, pick up a brochure at the club or email me at the email address below.

If you're happy tell your friends, if you're not tell us. We're here to help.
